Try to reach every student to solve their doubts .

Encourage the every student.

1.
Implement interactive and collaborative learning methods: Encourage group discussions, peer teaching, and projects that promote active engagement among students. This fosters deeper understanding and retention of concepts

2.
Incorporate technology effectively: Integrate digital tools, multimedia resources, and online platforms to enhance lectures, assignments, and assessments. Utilizing technology can make learning more accessible, interactive, and tailored to diverse learning styles.

3.
Provide timely feedback and support: Establish clear communication channels for students to

seek help, and ensure prompt feedback on assignments and assessments. Constructive feedback helps students identify areas for improvement and stay motivated in their learning journey.
