Innovation and Entrepreneurship

As a part of creativity and innovation, students actively contribute their articles, and poems in the college Magazine - *Bharat*. Students are encouraged to participate in various scientific and academic events including science day celebration, poster competitions, quiz competitions, etc., through which they come to know about the present scenario of research areas and mould themselves as per the requirement.

The college has several MoUs with Government and reputed non-government bodies and academic institutes, which continuously stimulate the students for innovation and entrepreneurship. Some of our faculty members are members of the editorial board of reputed journals.
