## About the College

Shri Havagiswami Mahavidyalaya, Udgir has been successfully imparting knowledge since 1972. The city is located on the border of three states: Karnataka, Telangana and Maharashtra. Students from these states come here for education. This college provides education in three streams- Arts, Commerce and Science at UG and PG level. Research centres are also available for researchers in various streams.

## About the Seminar

If we look at the history from ancient times, it can be seen that Indian knowledge system is very rich in the world. We need to look back for wisdom. In New Education Policy-2020, this subject is seen to be of unique importance. In this view, the present seminar is being organized. Research articles and commentaries of dignitaries will certainly create curiosity about the subject and highlight the heritage of our knowledge system. It is the time to revive our ancient wisdom and heritage and unbox the Indianness.

## Objectives

1. Highlighting the usefulness of Indian knowledge systems in New Education Policy.
2. Exploring the linguistic richness of mother tongue in different states of India.
3. To understand the integration of different cultures in India.
4. Commenting on the relevance of the values of Saints and social reformers.
5. Throwing light on the neglected topics in the Indian knowledge systems.
