∗ Student Satisfaction Survey

Satisfactory survey is to upgrade the quality of teaching and evaluation. It is for the overall welfare of the colleges students. The institution has formed the feedback committee. The feedback committee punctually marks the survey of the students with the help of questionnaire. The students will have to give their objective response. The college authority seriously thinks over the students responses and takes the necessary steps for the academic development of the students.

The students satisfactory survey has taken and analyzed as below

∗ Student's satisfaction survey report

In our institution we conducted student's satisfaction survey. In this a satisfied random sample of 10% students was chosen for the survey. The questionnaires including 20 objective questions and one open ended question was analyzed and the report of analysis is as follows.

There were 20 objective questions and students were to respond on a scale of 0 to 4. The most positive rated as 4 and most negative rated as 0. This range of 0 to 4 will be the score of key indicator student satisfaction.

In open ended question the students were asked to give there observation or suggestions to improve the overall teaching learning experience in the institution this would provide no idea of the most general expectations, observations and suggestions from the students

Student's satisfaction survey report

Sr.No.	Questionnaire	SSS Question	Unsatisfactory %	Satisfactory %	Neutral %	Good %	Excellent %
